Monday September 4 from 19 – 21 / 7 – 9 pm

The Welcome reception includes a light tapas buffet and drinks. During the reception, the art exhibition is open for the delegates. We encourage you to visit a small tactile exhibition *“To look through your fingers”* in the lower ground floor area. Fifth grade pupils from a public school in Aalborg made the tactile exhibition especially in relation to the Dbl Conference. Their assignment was to make sculptures that are interesting to explore in the tactile modality.
